

November 25, 2022

Dear Wanumetonomy Member, The calendar year 2022 is closing fast, and the Holiday season will soon surround all of us. It is a time of celebration and of giving. It is traditional among the members of private country clubs to contribute to an Employee Holiday Fund that is distributed to the employees as a Holiday Season Gift from the members.

The employees of Wanumetonomy Golf and Country Club take pride in serving you whether they are working behind the scenes, or directly with the members. The Board of Governors feel the fund, divided among all employees (approximately 40), accomplishes two things:

A. To show appreciation to the employees.

B. To encourage longevity and a sense of dedication, that will in the long run promote and enhance the Club.

The Employee Holiday Fund will be divided in an equitable manner amongst all employees to let them know the members are very thankful for the employees' dedicated service, whether in the clubhouse or the outside golf area.

The Board of Governors recommend and encourage each member to support this annual Employee Holiday Fund. The Board suggests any amount as a contribution: \$50, \$100, \$200 per member; however, members who wish to contribute any other amount or more, may do so. This program is entirely voluntary.

The Board of Governors and employees of Wanumetonomy Golf and Country Club thank you for your generosity. We wish you and your loved ones a very Merry Christmas, Happy Holidays, and healthy & prosperous year in 2023.

Jane Lippincott, President
