Golf Shop Report

I hope this email finds you and your family well, and that your year is off to a great start! Aside from today's snow we have certainly had a mild winter here at the club. We have several members who already have multiple rounds under their belt this year! Hopefully that trend can continue, and we can have an early start to spring. Below is information regarding some early season opportunities including the buy 3 get the 4th free golf ball promotion. Feel free to contact me if I can be of assistance before the golf shop officially opens. I look forward to seeing you all soon!

Thank you, Bill Maguire, Head Golf Professional

2023 Golf Ball Promotion

It's that time of year to take advantage of the best golf ball offer of the year. Order three dozen balls and get the 4th free. The offer is available for Titleist Pro V1 & Pro V1X, Callaway Chrome Soft, Chrome Soft X, Chrome Soft X LS, Taylor Made TP 5 & TP 5X. The best part of the promotion allows you to personalize all four dozen however you wish (initials or imprint on the side of the balls). Only Titleist allows you to choose the same play number 00, 1-99. Unfortunately, this offer is only for a limited time while supplies last so if you would like to place an order, please email Bill at wmaguire@pga.com. Orders are expected to take up to 6 weeks.

Lessons & Club Fittings / Indoor Golf

In January we outfitted the clubhouse with a Trackman Simulator. There is no better tool to work on your game or simply keep the swing going. If you're looking to get a head start on the upcoming season or simply dust off the winter rust contact Bill or Matt to schedule a lesson or even play some virtual holes. A portion of the 2023 demos have also arrived. Let us know if you are interested in trying something or want to schedule a time to get fit.

April Fitting Days

The top three vendors in golf will be hand this April to fit those interested in purchasing a new club or clubs. This no cost opportunity is by appointment only and will take place on our Trackman Simulator. There is a limited number of spots available.
